REPORT ON STUDENT CAREER GUIDANCE AND COUNSELLING PROGRAMME

Theme: "Research and Competitive Examinations: Exploring Opportunities and Strategies for Success"

Resource Person:

Mr. AarhanInamul Hussain, Assistant Teacher, PM SHRI Namgoramora B.B. High School, Jorhat, Assam.

Date: **6th November 2026**

1. Introduction

The Training & Placement Cell of Don Bosco College, Golaghat, in association with the Internal Quality Assurance Cell (IQAC), organised a Student Career Guidance and Counselling Programme on

6 November 2026 at the DBCG Conference Hall. The programme was organised with the objective of creating awareness among students regarding various career opportunities in research and competitive examinations and equipping them with the necessary knowledge and strategies to pursue their future academic and professional aspirations.

The programme was particularly designed for the undergraduate students of the 5th and 7th semesters, providing them with an opportunity to explore different career pathways, understand competitive examination requirements and gain insights into research-oriented academic pursuits.

2. Objectives of the Programme

The major objectives of the programme were:

1. To create awareness among students about various career opportunities in research and higher education.
2. To familiarise students with different competitive examinations and their scope.
3. To provide guidance regarding examination preparation strategies, planning and time management.
4. To motivate students to explore research as a potential academic and professional career.
5. To encourage informed career decisions and develop a goal-oriented approach towards future opportunities.

3. Proceedings of the Programme

The programme commenced with the welcome address by Rev. Fr. Principal Dr. A. Amaladoss, who highlighted the importance of career guidance in shaping students' academic and professional futures.

This was followed by the introduction of the resource person by Mr. Gaurav Dey, Assistant Professor, Department of Commerce and Training & Placement Cell Coordinator. He briefly introduced Mr. AarhanInamul Hussain and highlighted his professional background and contribution to the field of education.

The resource person subsequently conducted an interactive session on the theme, **"Research and Competitive Examinations: Exploring Opportunities and Strategies for Success."** During the session, he discussed the significance of research and competitive examinations, the opportunities available to graduates and the importance of systematic preparation. He also shared insights into identifying suitable career pathways, developing effective study strategies and preparing for future academic and professional challenges.

An interactive question-and-answer session was also conducted, allowing students to clarify their doubts and seek guidance regarding research opportunities and competitive examinations.

The programme concluded with the vote of thanks delivered by Ma'am NaziaRahaman, Assistant Professor and Assistant IQAC Coordinator, expressing gratitude to the resource person, college administration, organising committee and participating students.

4. Outcomes of the Programme

The programme provided students with valuable exposure to research-oriented careers and competitive examination opportunities. The major expected learning outcomes included:

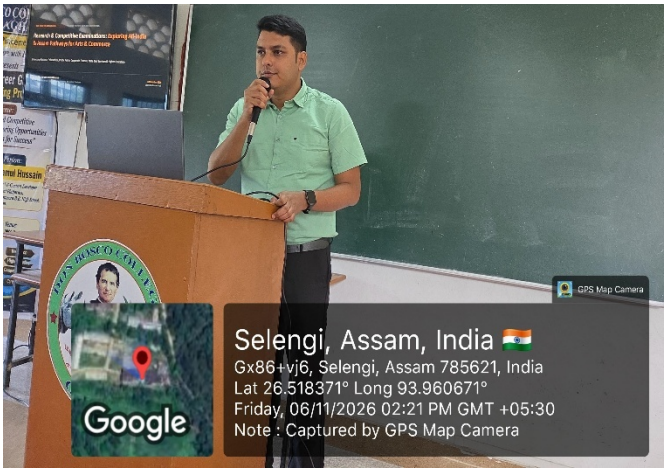

- Improved awareness of career opportunities in research and higher education.
- Better understanding of competitive examinations and their preparation requirements.
- Increased motivation to pursue higher studies and research.
- Enhanced understanding of career planning, goal setting and preparation strategies.
- Greater awareness of academic and professional opportunities available after graduation.

5. Conclusion

The Student Career Guidance and Counselling Programme was an initiative towards strengthening the student support and career guidance activities of Don Bosco College, Golaghat. Through expert interaction and discussion, the programme aimed to empower students with relevant information, guidance and motivation to make informed decisions regarding their future academic and professional careers.

The initiative reflects the commitment of the Training & Placement Cell, in association with IQAC, towards providing students with meaningful career guidance, promoting research awareness and facilitating their overall academic and professional development.
