Analysis of Feedback

Feedback is taken from the Students, Alumni of the college along with Employers and Teacher of the college and also of the nearby colleges in order to assess the requirements of the students. So that add-on courses can be offered to the students. A total of 160 students have given the feedback regarding the curriculum. Out of 160 students, 39 are from

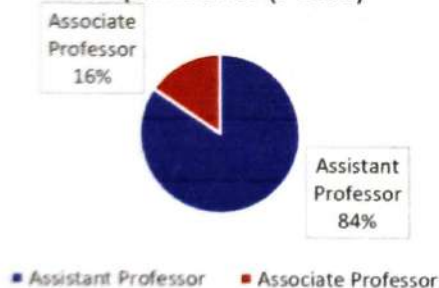

No of Students

commerce and rest 129 students are from arts stream. The feedback that has been collected is for both Cbcs and Non-Cbcs course. The feedback primarily focuses on the present curriculum. 156 students were satisfied with the curriculum while 4 students were unsatisfied. The students prefer offline classes rather than online

classes. Feedbacks were also collected from professors of four nearby colleges. A total of 45

Respondents (Peers)

members have responded, out of them 38 were assistant professors and rest 7 respondents were associate professor. The professors responded for cbcs course. 35 respondents were satisfied with the present curriculum. 39 of the respondents also prefer soft skill development program to be implemented

in the course. And they have also provided various opinions regarding the present curriculum. The Alumni shows the satisfaction of the curriculum in their feedback and also it meets their requirements for their career development.

After analyzing the feedback from the students the college has initiated certain action like providing notes of the lecture taken through LMS platform, inviting employer for campus placement along with strengthening of sports club to promote sports activities within the
