## SWATCH BHARAT ABHIYAN

17 April: Twenty NSS Volunteers as part of 'Swatchh Bharat Abhiyan' Conscientization program, performed short street plays at KKBB High School today. The street play was aimed at creating awareness in the area of health and sanitation under the theme: "एक कदम स्वच्छता की ओर / One step towards cleanliness". The street play was performed at Kushal Konwar Balya Bhawan High School, so that the children of the school and the people around can benefit from it. The volunteers spread the message of clean environment, individual responsibility and self hygiene through the plays. They also demonstrated the proper method of hand washing to the staff and the students of the schools. Two volunteers from the students were also trained in hand washing. We are very grateful to Mrs. Padmavati Bora, the Principal of the school for her co-operation. They appreciated the performance of the NSS Volunteers and request the programme officer to have further such exchange programs in the future. We appreciate the hard work of Ms. Sushmita Borah Rongpipi, the Program officer.

## MAKE EVERYDAY WORLD NO TABACCO DAY

31 May 2019: Fr. VM Thomas, Director, Planning and Development, DBTECH New Delhi was the chief guest for the Occasion of World No Tobacco Day. Although a non-class day, the NSS Volunteers and NCC cadets organised a program to mark the World No Tobacco Day and make the college campus a Tobacco Free Campus. The program was hosted by Tohsina Seyedi, NSS Volunteer. Fr. Jose Palely, Principal, introduced Fr. VM Thomas to the assembly and Rajesh Minj and James Soreng, NSS Volunteers welcomed Fr. VM Thomas with a Bouquet of Flowers and Fulam Gamocha, while the students sang a song of welcome. In his interaction with the staff and students he said, "You are what you think. All that you are coming from your thought, and with your thought you create your world. What you visualize, what you imagine with your mind, is what you realize. He added, "You see a beautiful tea garden very close to you. Yet plants and trees are determined by the environment as they cannot move. But animals are different from the plants. They are not determined by the environment as they can do something different from trees and plants. They can search for food, shelter, and can defend themselves. They are also able to adapt themselves to the environment. What about human beings. They can control, change and create environment. Often people do opposite of creating; they do reacting. We need to stop reacting to every situation, and give positive energy to every situation.

## FLOOD RELIEF CAMP

9 Aug 2019: The NSS Unit of Don Bosco College, Golaghat, organized a fund raising at the college campus to provide relief to the school children affected by the flood. Ms. Sushmita Bora Rongpipi identified two schools, Rongali Huti Mazdoor L P School and Jugonia Deuliya Prathonik L P School. These schools are in the village Jugonia Ati which is located on the banks of Dhansiri river in the Bokhaghat area. These schools belong to the Western Education Block of Golaghat District. At Rongali Huti Mazdoor LP School, around 150 students were present. Shri Tarun Bora, Headmaster along with the staff invited the public leaders and social workers of the area to witness the program. Mr. Joyanta Bora, one of the social worker was also present. The school children presented an Assamese Prayer son 'Diha Naam' and also performed a short cultural program to welcome the visitors. Ms. Sushmita Bora Rongpipi, NCC Program officer of the college, spoke about the concern Don Bosco College and the NSS Volunteers had for those affected by the ongoing flood situation. After this, students were given out relief items in the form of sanitary items and food items to the children. As the second school was only still partially open, the relief materials were handed over to the school authorities for distribution. The NSS volunteers visited the schools and saw the flood affected area. As the flood level reached above the window level of the schools and houses, many of the buildings sustained much damage and the schools are still limping back to normal. The following NSS volunteers accompanied the program officer for relief works: Sazidur Rahman, Emanuel Lakra, Pranjal Tanti, Rimon Lakra, Sunami Osga, Sumila Kerketta and Monika Tirkey.
