*WHEREAS*

- A. Sacred Heart College, Tirupattur, established in 1951, is a prestigious institution, managed by the Salesians of Don Bosco. Accredited by NAAC (4th Cycle – under RAF) with CGPA of 3.31/4 at 'A+' Grade, One among top 200 Colleges in India – NIRF 2020 and 5th College in India - NIRF 2017. PG and Research Department of Computer Applications was started in the year 1998 and is stepping into the research arena and extended its wings towards research with the inculcation of the unique MPhil in Computer Applications programme from this academic year. The Department is known for its excellence in curriculum delivery and preparing software professionals who would fit into the IT industry. The Department is providing Software Support to the College.
  
- B. Don Bosco College Golaghat, established in 2015 is an Arts & Commerce College managed by Salesians of Don Bosco, to cater to the children of the General Public with a special focus on the Tea Garden Workers of Assam and the poor and disadvantaged tribal groups of the North East. Accordingly the college has taken special efforts to recruit students from the tea garden Communities and from the remote tribal areas of Assam, Manipur, Nagaland, Arunachal Pradesh and Mizoram. Majority of the students come from the Tea Garden Community as they are economically more disadvantaged. From the initial stages, the college has been focusing in providing blending learning experience through regular class supplemented by Virtual classroom experiences, we have been seeking support in setting up server based support for installation of Moodle Platform and BBB server at college campus. The college is in the process of NAAC Accreditation.

In consideration of mutual agreement contained herein, the Institutions do hereby broadly agree as follows:

**Objectives of the Project:**

- To install and configure the LMS (MOODLE) with new configurations setting called "IOMAD".
- To install and configure the Live Class configuration using BigBlueButton.
- To install and configure the PhpMyAdmin (MySQL) database.
- To maintain support for the server with timely software upgrades and technical improvements.

**Specifically S. Anthony Philomen Raj will be Responsible for:**

- To install and configure the LMS (MOODLE) and make it available for both student and staff on time.
- To install and configure the Live Class and make it available for both student and staff on time.
- To configure MySQL database on time.
- Provide the technical support and upgrading of software, whenever required.
- To make sure that LMS and BigBlueButton servers function properly.
- To train the Computer staff from time to time with sufficient skills and knowledge to ensure ordinary maintenance of the servers.

**AMENDMENT:** This MoU may be amended, from time to time depending on the need, on mutual agreement by both the Institutions.
